

# TOWN OF BREDENBURY

## NEWSLETTER FEBRUARY 2016

### **Utility Bills:**

Since it is a new year, why not set up your utility account on automatic withdrawal.

Please note that Utility Bills are due by the end of the first month they are issued, or interest is automatically applied by the computer system.

On the April 1 water bill if you have a continuous leak we will mark CL on the bill. Continuous leaks represent a leak after the water meter in the house for the past 35 days, usually leaking toilet, water heater, softener, etc. Call a plumber for advice. Continuous leaks usually result in overage on your water bill.

### **Public Skating:**

Public Skating is Wednesdays from 3:00-6:00, Saturday and Sundays from 1-4 p.m. It will be cancelled occasionally due to tournaments and weather. Watch Facebook for cancellations.

### **Pet Licenses:**

Remember to come in and register your pet for 2016. The cost is \$10 for a dog and \$5 for a cat. There are still many outstanding unpaid licenses.

### **Community Gym:**

The community gym continues to have strong support from the residents. Remember for those that pay memberships monthly, they are due on or before the end of each month. The memberships can also be set up online through automatic withdrawals each month.

The more members we retain or gain the more equipment we can purchase. If you have a piece of equipment you would like to see in the gym call the office or leave a note in the gym; remember our space is limited.

### **Water Reports:**

Please find attached the 2015 Water reports.
