Public Works:

The Town of Bredenbury is looking for another Public Works Person. Unfortunately Grant Bassingthwaite has left his position.

If you are interested in the position please send your resume to:

Bredenbury@sasktel.net the whole description is on www.saskjobs.ca

Preference will be given to individual with Class 3A license, Water & Sewer Certification, Power Mobile Equipment, Confined Space, Ground Disturbance, and Heavy Equipment Experience. Wage dependent on experience.

Clean Up:

The Town is already looking so nice for spring. This is a reminder to keep yards clear of clutter and remove all unregistered vehicles. Also please keep grass cut nicely and try your best to remove dandelions.

Municipal Elections:

This is the year for the urban and rural municipal elections province wide. The election date will be October 26, 2016. Call for nominations will be in September. Watch for updates in future newsletters.

School Yard Recreation:

When in the school yard; the building is off limits. Recently there was another window broken at the school. There have been cameras placed in the school yard to catch vandals.

There has been a ball diamond installed at the school yard. We are attempting to locate some bases, bats and balls. Everyone please feel free to use the ball diamond anytime. The large pile of dirt will be removed in a few days.

The Town of Bredenburg in the near future will be installing also a horseshoe pit at the school yard.

Children can play soccer over at the school yard anytime they would like. We hope to purchase some nets in the near future.

In July the pavers will be in town and we will be redoing the pavement in the tennis court so that we can get that up and running again as well.

In the middle of June a Frisbee Golf Course will be installed at the school yard perimeter. The Course will have 12 holes. Town of Bredenburg will purchase a few starter sets of Frisbees so that residents can try the sport, we will also try to have a training day set up in the future. A security deposit will be taken on the Frisbees in case they don't get returned.

Objective of the Game

Disc Golf is played like traditional "ball" golf, but with flying discs instead of balls and clubs. One point (stroke) is counted each time the disc is thrown and when a penalty is incurred. The goal is to play each hole in the fewest strokes possible. The player with the lowest total strokes for the entire course wins.

SAFETY FIRST

Never throw when players or park users are within range. Always give park users the right of way. Be aware of your surroundings and environment.

Tee Throws

Each hole begins with a tee throw. Tee throws must be completed within or behind the designated tee area.

Lie

The lie is the spot where the player's previous throw has landed. Mark lie with a mini disc or turn over the thrown disc, directly towards the hole or designated fairway. The player's subsequent throw is made from directly behind the marked lie.

Throwing Order

The player with the least amount of strokes on the previous hole is the first to tee off on the next hole. After teeing off, the player whose disc is farthest from the hole always throws first.

Fairway Throws

Fairway throws must be made from directly behind the lie. A run-up and normal follow-through, after release, is allowed, unless the lie is within 10 meters of the target. Any shot within 10 meters of the target requires that the player not move past the lie until the disc is at rest.

Dogleg (or Mandatory)

A dogleg is one or more designated trees or poles in the fairway that must be passed as indicated by arrows. Until the dogleg is passed the closest foot to the dogleg must be on the lie when the disc is released.

Completion Of Hole

A disc that hits the metal tank constitutes successful completion of that hole.

Unplayable Lie

Any disc that comes to rest above the ground is considered an unplayable lie. The disc must be thrown from the lie on the ground, directly underneath the unplayable lie, relocated to avoid damage to the vegetation.

Out Of Bounds

If any area of O.B. is visible between the disc and O.B. line, then the disc is considered O.B. A throw that lands out of bounds, must be played from a point 3 feet in bounds from where the disc went out of bounds. Permanent water hazards and public roads are always out of bounds.

Penalties

Recreational players will not be penalized for rule infractions. Other players will keep you honest.
