

# TOWN OF BREDENBURY

## NEWSLETTER OCTOBER 2017

### **Bredenbury Arena:**

Bredenbury Arena startup was less than desired. It turned out that we were required to put in a new panel for the ice plant at a cost of approximately \$8000. It seems to be working well now.

In addition we did some maintenance on ice plant, including changing out a seal to protect Freon from leaking again and installing hour meters on ice plant for approximate cost of \$4000.

Public Skating will be held on Wednesday's from 4:00-5:30 and Sundays from 1:00 p.m. - 3:00 p.m. Once again public skating will be free this year. Public Skating will be cancelled when there is a game or tournament on cancellations will be posted on Facebook and on the rink door.

The Town of Bredenbury and Bredenbury Tundra will be hosting a Free Hamburger and Drink Public Skating Event. Sunday, October 15 from 11 am - 2 pm Here you can meet the Tundra team, public skate, get a free burger and drink, buy your season tickets, buy your 50-50 and sign up to volunteer for the rink kitchen. Everyone please try to attend to show your support to the town, rink and Tundra team.

Bredenbury has been selected to host the Zone 4 Sask. First tryouts for boys and girls for the Saskatchewan Winter Games. The tryouts will be December 1-3 in Bredenbury. We can expect 50-80 kids aged 14/15 trying out for the team. Volunteers will be needed to work the kitchen during this weekend. This is a great opportunity to bring extra people into our community and show off our amazing rink.

The schedules are not out yet for the Bredenbury Cougars or Bredenbury Tundra, we will send out a newsletter once we have those schedules.

There is a possibility of a Tundra game on Sunday, October 15 at 3:00 p.m. in Bredenbury, this potentially will be same day as free burger and drink; but it still has not been finalized. We will put out a poster if finalized. As well there will be a Tundra game on Sunday, October 22 at 2:00 p.m. Public Skating will be moved from 11-1 that day.

Thanks to all the amazing volunteers for putting in the ice and lines. We hope that we all have a fun, safe and financially productive year at the arena.

### **Lions Remembrance Day:**

The Bredenbury Lions Remembrance Day Service will be held at Bredenbury Hall at 211 - 3<sup>rd</sup> Street on Saturday, November 11, 2017 starting at 10:30.

**CTV News Home Visit:**

CTV was visiting our community on September 29 and 30<sup>th</sup>. They interviewed several people from our community. Thanks to all those that got interviewed; and thanks to a couple of amazing volunteers that showed CTV news around our town that day, it was greatly appreciated.

The Home Visit will be aired on CTV news on Wednesday, October 11, 2017 at 6:00 pm. Check it out. We will share it on Facebook as well once published; as well try to put the link on the website.

**United Church Craft Show:**

Sign up for your table now for the United Church Craft show held at Bredenbury on Saturday, December 2, 10 am-2 pm. Contact Louise at 306-898-2034 or Margaret at 306-898-2122. Lunch will be available at craft show.

**United Church Luncheon:**

The United Church Roast Beef Luncheon will be held on Wednesday, October 25 from 11:30-1:00 in the church basement. For takeout orders call Irene at 306-898-2052 or Louise at 306-898-2034. Cost \$15 Preschoolers free.

**Councillor Resignation:**

Councillor Walker has resigned his position on Council so that he can concentrate on the Bredenbury Arena as caretaker. We would like to thank Eric for his years of service on Council to our community. Please watch for future advertisements for the Call for Nominations to fill the position.

**Compost Area:**

It was to great disappointment there was cement and rebar that was dumped at the compost area in Bredenbury. The Town of Bredenbury has since cleaned it up.

Only compost material can be left at the compost area; nothing else. Failure to comply with the rules will result in the compost area being closed permanently.

**Vandalism:**

There has been a report of fresh spray paint at the playground under the red roof on the fort. Please note vandalism will not be tolerated and the area is under video surveillance.

**Water Bills:**

Please note water overages have been removed from all water bills this quarter. The water usage numbers were extremely high throughout town; and we are unable to determine if residents really used that much water or if it was a computer glitch. The usage number on your bill is not actually usage. This is a onetime manual removal as approved by Council.
